Letter of Support for Marta Burton's Southern Journey Project

To Whom It May Concern:

The Association for Cultural Equity and the Alan Lomax Archive is delight to support Marta Burton and the Southern Journey Project. We appreciate her dedication to researching, writing and presenting the work of Alan Lomax.

Southern Journey: A Tribute to Alan Lomax is an enlightening and entertaining performance and humanities program which brings to life the music, story and people of the American South.

Ms. Burton has worked with us to obtain the appropriate permissions and licensing and we are happy to encourage her to further disseminate her program.

The Association for Cultural Equity support future performances of *Southern Journey*, and we are pleased that Ms. Burton plans to move forward to film the project for public television.

We will look forward to collaborating with her to provide the materials she needs to nurture *Southern Journey* in its subsequent incarnations.

Sincerely,

A handwritten signature in black ink, appearing to read "Don Fleming". The signature is fluid and cursive, with a long, sweeping horizontal line extending to the right.
